### Spot The Difference?

There are 5 differences between these two pictures. Can you spot them all?

### Find Snow White

Snow White is lost in the maze! Help the dwarfs find her and rescue her!

Snow White is getting spoiled and she must learn the value of helping others if she hopes to prevent her father from marrying an evil witch. When Mambo and Munk tip the scales of good and evil, Snow White stops helping the peasants in order to hang out with pals Red Riding Hood, Goldilocks, and Little Bo Peep. The scheming witch Lady Vain makes a grab for power with a little help from Rumpelstiltskin by tricking Snow White into spreading rumours about the townspeople. The dubious duo embarrass the Princess so badly that she has little choice but to flee from town.

### Happily N'Ever Crossword
